A Luxurious Home Furnishing Destination Defines Coastal Living

Enviably style and classic elegance unite at Seaside Home, San Diego's premier home design atelier and boutique. With stores in La Jolla and Coronado, Seaside Home combines timeless appeal and versatile luxury to celebrate a coastal lifestyle concept that heightens the credibility of San Diego as a design destination. Previously untapped in the city, the notion of gracious living is right at home at Seaside—the only high-end retail location of its kind, establishing a sumptuous level of inspiration in the home furnishing industry.

Seaside showcases a chic assortment of the world's most renowned names, including furniture by Baker, Ralph Lauren and Henredon; bedding by Anichini, Ankasa and Sferra; and accessories by William Yeoward Crystal, L'Objet, and Victoria and Richard Emprise—formerly the famed Mackenzie-Childs. "I thrive on taking risks and purchasing collections that really have that 'wow-factor,'" says owner, Sheryll Jackman. "Not everyone is willing to spend extra money to get the exclusive on a new, up and coming line. But that is exactly what propels Seaside to the next level—I like to be the first to have the finest pieces in my store."

Jackman, who is the past president of the San Diego chapter of the ASID, is a leading industry innovator who possesses more than 25 years of experience in the fields of decorative arts, architecture and interior design. Jackman conceived Seaside Home with the mission to create an exceptional and comprehensive upscale shopping experience in a warm and inviting atmosphere.
